

Burlington Parks & Recreation

Scholarship Assistance Application

Scholarships are available for participants in many of Burlington Parks & Recreation's programs. Scholarship awards are intended to assist program participants who find themselves in circumstances of limited income. A participant's eligibility is based on several factors, including the program of interest.

ELIGIBILITY CRITERIA:

B-E Youth Soccer Program

- Applications must be received by June 30.
- Proof of eligibility must be submitted with your application. Copy of your child's free or reduced lunch letter, DSHS food assistance letter or detailed letter of explanation are examples of accepted forms of eligibility proof.
- Participants meeting the eligibility guidelines may be awarded *up to* 100% of their registration fee in scholarship assistance.
- When a partial scholarship is awarded, participants will be required to pay their contribution towards the registration fee at the time of registration confirmation.

Scholarship funding is provided through the Burlington Parks & Recreation Department. Scholarships are made possible with thanks to private donations made by the community. Scholarship funds are limited and for that reason are awarded on a first come, first served basis to eligible participants.
